Dear Judge Pauley:

Pursuant to Section I.D of the Court's Individual Practices, the parties jointly request that the Court adjourn the initial case management conference scheduled for March 20, 2020. On December 6, 2019, the parties jointly requested the Court stay proceedings for 60 days in light of Defendants' motion to dismiss in the related securities class action pending before this Court, styled *In re Weight Watchers International Inc., Securities Litigation*, Case No. 1:19-cv-02005-WHP (the "Securities Class Action"). ECF No. 11. The Court granted the parties' request on December 10, 2019. ECF No. 12. Argument on the motion to dismiss in the Securities Class Action was held before this Court on February 25, 2020. The parties in this case are negotiating a second stipulation to stay this case pending decision on the motion to dismiss in the Securities Class Action and request an adjournment of the initial case management conference in this case pending such decision in the Securities Class Action. This request does not impact any other scheduled dates in this matter. The parties thank the Court in advance for its consideration of this request.

Application granted.
